MAKE A MIRACLE Happen

Sponsorship Opportunities

Supporting Children with Serious Illnesses

For more than a decade, Miracles N' Progress has supported children battling cancer and other life-threatening illnesses through programs, resources, and "Everyday Miracles" that help families feel supported throughout their journey.

GENERAL ONGOING SUPPORT

General Sponsorship provides critical year-round support for Miracles N' Progress, helping us serve children battling cancer and other life-threatening illnesses beyond the Season of Miracles event. Your investments support ongoing programs, resources, emergency assistance, and "Everyday Miracles" that bring hope, comfort and encouragement throughout the year. Together, we can create lasting impact and turn moments of hope into miracles every day.

HOME FOR THE HOLIDAYS EVENT

In addition to our ongoing support, sponsorships for the Home for the Holidays event help create a magical, memorable celebration for the families we serve. Your support provides holiday cheer, special experiences, and a day filled with joy, love and lasting memories.

Together, we can make the holidays brighter!
